LAUNCHED 3RD QUARTER PROJECTS

AG High School Internship Program

AG onboarded its first High School Intern at Northgate High School. This program trains 9th-12th graders in community engagement, workplace readiness skills, and creative learning through hands-on projects and volunteering.

AG Volunteer Program

AG welcomed its first CMU student volunteer, kicking off a new initiative for CMU undergraduate and graduate students. Engagement levels range from one-time to weekly events, accommodating varying student availability.

PARTNERSHIP ANNOUNCEMENT

In collaboration with the Writing & Communication Program, Arts Greenhouse will partner with Youth Enrichment Services (YES) to host workshops for students who recently completed Pittsburgh's Youth Civic Leadership Academy (YCLA). Participating 9th-10th graders will practice interview techniques, reflective writing, and storytelling, to share personal experiences in the YCLA. Sessions will be held at CMU's campus and YES offices in the fourth quarter.
