STUDENT SERVICES SUITE – SUMMARY OF RELEASE #20   August 23, 2013

Release #20 introduced new functionality for the Office of Undergraduate Admission.

New users are encouraged to reference the S3 QuickStart Guide and the Web Tutorial section for basic "how to" instructions.

Release Highlights

- Software Integration
  - Integrated PowerFAIDS® with S3 [PowerFAIDS® is a standalone financial aid application that will be utilized for both applicants and students]
  - Integrated FolderWave with S3 [FolderWave is a third-party admission document storage application]

- Admission
  - New hyperlinks on Incoming Documents and Decision screens navigate authorized users to documents stored in FolderWave
  - Financial Aid Reaction
    - Browse by competing universities or reaction applicants

- Student Accounts
  - Tuition Remission Exception modal
  - Enhanced usability for the Refund Release process

  Additional Changes:
  - ✓ Resolved issues with adding new course instructors on Section Details page

Related Functionality Not Yet Released

- Admission Screens: Applicant Decision Update, Case Management, Quick Search for Prospects, Add and Update a CMAC/Alumni Member, and View/Update Admission Applicant Information
- Student Accounts: Transaction Error Handling Screen

Coming in the Next Six Months…

- Continued development and screen enhancements for the Registrar's Office, Student Accounts, and the Office of Undergraduate Admission
