STUDENT SERVICES SUITE – SUMMARY OF RELEASE #55   May 5, 2016

Release #55 introduced new features for the Student Accounts Office and the University Registrar's Office.

New users are encouraged to reference the S3 QuickStart Guide and the Web Tutorial section for basic "how to" instructions.

Release Highlights

Student Accounts

- **FFP Feature Item**: Summarized Account Activity
    - S3 Student Account Activity page can now be switched between the existing *Details* view and the new *Summary* view
    - *Summary* offers a clear display of transactions grouped by commodity code within a fiscal year/term

Registrar

- **FFP Feature Item**: New online transcript ordering service (*anticipated to be made available to students soon*)
    - Streamlined transcript request process will save time for both students and staff
    - Students will continue to submit transcript requests through SIO with significant improvements on delivery features

Additional Changes:

- ✓ Removed potentially confusing waitlist "Rank" information from S3 and SIO pages
- ✓ Proxy names are displayed in blue i-circle on Course Roster page (if applicable)
- ✓ Added text to Faculty Course & Grade Info page to enhance user experience
- ✓ Removed instances of repeating anti-requisites displayed on S3 and SIO and pages
- ✓ Improved behavior to prevent errors when assigning TOEFL scores to prospects
- ✓ Added converted ACT to SAT scores to Decision page for Qatar admission applicants

Coming in the Next Six Months…

- Student refund check printing within S3
- Sponsor billing module
- Continued new development and screen enhancements for the Student Accounts Office, the Office of Undergraduate Admission, and the University Registrar's Office
